REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission statement of Burton-Pack Elementary School is to ensure that each student is successful in his or her academic, social, and personal growth by creating an educational environment characterized by student discovery and exploration; respect for individual and cultural differences; an atmosphere in which students can develop self-worth; and parent/community involvement and support.

To accomplish this goal, the continuous achievement of the Burton-Pack students is the focus of all staff members. There is on-going assessment of mastery of the state standards through PASS-like quizzes, district benchmarks, and weekly standards-based evaluations. There is also extensive team-teaching with instructional coaches, data analysis, and professional learning community meetings. Special celebrations and recognitions occur as our students demonstrate proficiency.

Burton-Pack Elementary School has made significant progress over the past few years. For the 2011 and 2012 school years, we earned an Excellent in the area of growth on the school's report card, awarded Palmetto Gold and Silver for academic gains and Federal Accountability Rating System an "A".

Initiatives of Burton-Pack included the Extended Day Tutorial Program for grades 2-5, daily small-group instruction, Accelerated Reader, SuccessMaker, and the three-week Saturday and Writing Academy programs. The Comprehensive Remediation Program served approximately 130 students in grades 3-5 on an on-going basis. The program provided tutoring in math, reading, science, and social studies in a structured and supervised environment. Burton-Pack also continued with the 21st Century Program which allows 120 students to receive enrichment services on Mondays and Fridays. In addition, Saturday and Writing Academy provided intensive instruction to 90 students in grades 3-5 for a six week period. The focus for the Saturday interventions was writing, reading, and mathematics. Evaluations received from students, parents and staff members reported that the programs were highly effective.

In addition to the academic improvements, there have been positive outcomes with the following: 95.8% of parents attending conferences, student attendance increased from 95.1% to 96.6%; 81.8% teachers returned from the previous year, and we continued to have an excellent rating for character education programs.

Gains in student achievement are expected to continue as a result of the school initiatives, district programs, and our desire to have 80% of our students meet or exceed the state standards in 2013. This is evident, for we received the following: AYP status, Palmetto Silver, Palmetto Gold and Red Carpet. We are working hard at Burton-Pack Elementary!
